FINGERPRINT GUEST BOOKS ARE INNOVATIVE WAY FOR COUPLES TO REMEMBER THEIR SPECIAL DAY

Gloversville, NY, April 24, 2012 – Guesttree.com, a fingerprint guest book company, introduces 71 different fingerprint guest books as creative alternatives to a normal sign in guest book at weddings, baby showers, birthdays, baptisms, or any other special event.

A guesttree.com fingerprint guest book is an image of a tree or other item where guests place their fingerprint representing a leaf or a balloon depending on the image chosen at the special event. The guests then sign their name below their fingerprint as a symbol of their attendance at the event. Afterwards, a framed fingerprint guest book makes an everlasting keepsake which can be displayed in homes, or offices to cherish forever.

All fingerprint guest books at guesttree.com are custom made to order, with a choice of 21 different font styles to choose from for the name, or names on the tree, as well as 23 different font color options. A majority of the fingerprint guest books at guesttree.com are ready to be shipped within 3-4 business days.

Guesttree.com also contains a freebies section. The freebies section contains a free wedding planner tool where visitors can enter a name and wedding date to learn how many days, and minutes are left until the Wedding Day. A visitor can then discover a checklist of wedding tasks that need to be done and when such as when they should meet the DJ and when you need to decide on a guest list. Visitors are not asked or required to out in contact information, the wedding planner tool is completely free for visitors of guesttree.com.

The guesttree.com freebies section also lets visitors receive a free fingerprint guestbook checklist or wedding planning checklist delivered in their e-mail. These checklists are ready for a party planning binder or notebook.

“Since 2011, our guest trees have been producing smiles for people in over 15 different states, two provinces in Canada, and as far away as Australia,” stated guesttree.com owner Kelli DeMaio. “Also guesttree.com is being featured in the May 2012 edition on Bride’s magazine in the special gems section. Readers of Bride’s magazine will discover a special offer for guest trees which can be redeemed at our website.”

Guesttree.com fingerprint guest books are able to accommodate up to 300 guests. In addition to the trees, guesttree.com also offers a full line of accessories for its customers

such as individual ink pads, multipack color scheme inkpad collections, archival quality pens, fingerprint rubber stamps, and hand wipes.

“Shane McMurray, of theweddingreport.com, published in the 2012 U.S. Wedding Market Insight Report that for the 2012 wedding year, one of the things they’re predicting is that ‘couples want fun, romantic, and simple events with a touch of formal and tradition’. Guesttree.com offers all of the above through our fingerprint guest books, and they’re another unique way for your guests to remember your event,” said DeMaio.
